WECsys LLC
SUPPLIES & LOGISTICS COMPANY

NASA SEWP VI | CATEGORY A

Contract 80TECH26D0470 • Small Business

Experienced federal supply chain partner. Modern operations. Responsive execution.

WECsys LLC is a small-business federal reseller established in 1990, supporting government customers through multiple contract vehicles and a broad supplier network. As an authorized AbilityOne distributor, WECsys brings practical federal procurement knowledge, multi-channel fulfillment experience, and a commitment to modernizing operations through data, technology, and process improvement.

WHY PARTNER WITH WECSYS ON SEWP VI?

Federal experience & access

More than 30 years supporting federal, military, state and commercial buyers; experience across GSA MAS, BPAs, VA and other government channels.

AbilityOne distribution experience

Established AbilityOne distributor familiar with government sourcing and compliant product requirements; interested in expanding relationships with nonprofit manufacturers.

Established operating infrastructure

Existing order management expertise, electronic order intake, invoicing, supplier coordination, shipping documentation and reporting workflows.

Technology-forward mindset

Data informed approach, catalog management capabilities, performance reporting and process improvement to increase accuracy, visibility and operating capacity.

CORE CAPABILITIES

- Strategic sourcing, supplier onboarding, product catalog and price-file management
- Order-to-cash administration: order entry, fulfillment tracking, invoicing and reconciliation
- Federal logistics: CONUS/OCONUS coordination, MILSTRIP labeling and order traceability
- Compliance-aware sourcing across TAA, AbilityOne, ETS, Berry Amendment and other applicable requirements
- Broad distribution experience: IT hardware and accessories, office supplies, MRO, janitorial, medical and law-enforcement supplies

FEDERAL CONTRACT EXPERIENCE

NASA SEWP VI Category A • GSA MAS 47QSEA19D00C9 • GSA MAS 47QSHA21D000Y • VA Medical 36F79722D0151 • GSA BPA 47QSSC24A001D

PARTNER OPPORTUNITIES

We welcome discussions with OEMs, authorized distributors, AbilityOne nonprofit agencies, and fellow contract holders about compliant product sourcing, catalog expansion, supplier data exchange, and reliable federal fulfillment. WECsys can provide an established contracting and operations channel while building its SEWP VI Category A portfolio.

SEWP VI product offerings are subject to applicable scope, provider authorization, compliance review, and acceptance into the SEWP database of record.
